

SYSTEM OF CARE

Children serving agencies and families coming together to better help our community. System of Care will serve as a way for each agency to discuss what is new at their agency, discuss barriers to receiving treatment, and getting to know each other better. System of Care will serve as a place to gather information for the families in order for them to access services easier to achieve better outcomes.

First Wednesday of the Month

8:30 AM- 9:30 AM

Joplin Area Chamber of Commerce

320 E. 4th Street

Joplin, MO
